Jr. Ohio Model United Nations

Resolution #

Nation: Serbia – Montenegro (Yugoslavia)
School: Perkins Middle School

SUBJECT: ECONOMICAL DEVELOPMENT

WHEREAS, we the representatives of the Serbia- Montenegro nation recognize a weak central government has caused our country to suffer sever poverty and economic downfall, and

WHEREAS, under these circumstances the majority of the Serbian - Montenegrin population is unemployed and forced to live in unsanitary conditions, and

WHEREAS, the Serbia - Montenegro nation is experiencing debt caused mostly by the effects and costs of the Kosovo war, and

WHEREAS, the Serbia – Montenegro nation has made changes to strengthen its government, and

WHEREAS, improvements are being made to the transportation systems in the country, and

WHEREAS, the Serbia-Montenegro nation has a natural harbor at Tivat which is located less than 100 miles from Bosnia and Herzegovina, Albania, and The Former Yugoslav Republic of Macedonia. It is also less than 300 miles from Bulgaria, Romania, Croatia, and Hungary.

WHEREAS, the United Nations has already committed vast resources to help bring stability to the lives of the citizens of this region in the form of military occupation.

THERE FOR BE IT RESOLVED, that the United Nations make a productive and peaceful commitment to construct a modern harbor in Tivat to serve as a gateway for importing and exporting goods to and from the Serbia- Montenegro region. Improving the harbor will boost the Serbia- Montenegro yearly income and bring about economic growth for the surrounding and participating nations, creating a beneficial situation for all.
